What happens to our Delegate fee?

A \$1,200 credit will be applied to each Chapter's account. If you have already paid your Delegate fee, cash refunds will not be given. For Chapters who have not paid, the credit will even out to show a zero balance for the delegate fee.

What will happen with Grand Alpha elections?

Grand Alpha elections will not be held this summer, so there will be no Grand Alpha-Elect to serve during the 2020-2021 academic year. Instead, the next election will be held during Congress in 2021 and the winner will assume the office of Grand Alpha immediately, without a transition year. This scenario is not unprecedented; such elections have occurred in the past and went smoothly.

How will Chi Phi's annual budget be approved?

The Grand Council will assess the budget submitted by Executive Director Michael Azarian for approval. Once it has been reviewed, the Grand Council will vote on the budget for FY 2021.

Can we host Congress in the fall?

Unfortunately, this option is not logistically possible. With the short notice of arranging for a host facility, Congress would be exponentially more expensive. In addition, many institutions are uncertain if they will be physically open for the fall term, making it even more difficult for our Brothers to get together for a fall Congress.

When will the next Congress be held?

The next Chi Phi Congress is scheduled to take place **July 30, 2021- August 1, 2021 in Las Vegas, Nevada, at Bally's Las Vegas.**

Will the Awards Program still take place?

Yes! Chi Phi's 2020 Awards Program is still set to take place. The deadline remains May 29, 2020 at 11:59pm (Eastern). An alternative to an in-person ceremony will be arranged so that we can continue to recognize the work and dedication that our Chapters and Brothers put into our Fraternity.

As a bonus reminder, Accreditation submissions for this spring are NOT required. All Award submissions are based on the merit of their own materials.
